

The Delta Dental Individual and Family - PPO Value for Seniors plan is designed to help you maintain good oral health — providing you with national coverage for preventive and diagnostic care and significant discounts on other dental services when you see a participating Massachusetts dentist in the Delta Dental PPO Network. This document contains a list of available services under this plan. To obtain the exact fees for any of the available procedures, contact the Customer Service department at 800-872-0500. You will need to have your dentist’s office ZIP code available.

Advantages

No claim forms—When you go to a Delta Dental PPO network provider, there are no claim forms for you or your family to complete. Simply provide your dentist with the information that is printed on your ID card, and make your applicable patient payment.

No balance billing—In Massachusetts, Delta Dental PPO participating dentists agree to accept our discounted fee for minor and major restorative services as full payment.

No waiting periods—Your benefits begin immediately, and there are no exclusions for pre-existing conditions. The only exception is work in progress - dental expenses incurred in connection with any dental procedure started prior to coverage with Delta Dental Individual and Family - PPO Value for Seniors are excluded.

In-network coverage

In-network diagnostic and preventive services are covered nationwide at 100% — which means that you won’t have any additional out-of-pocket costs for those procedures nationwide when visiting a Delta Dental PPO participating dentist.

In-network minor and major restorative services are available to you at negotiated discounted rates in Massachusetts — Members receive negotiated discounted rates on services like fillings, crowns, and root canals when visiting a Delta Dental PPO participating dentist in Massachusetts. Members are responsible for 100% of the cost of these services.
