Waiting Period: There is a six month waiting period on Type II services and a twelve month waiting period on Type III services. The waiting period may be waived for former Delta Dental of Massachusetts members under limited circumstances. In order for the waiting period to be waived, your coverage on a comparable Delta Dental of Massachusetts plan would need to have terminated for no more than 60 days prior to the effective date of your Premier Individual Plan. A comparable plan must include substantially similar coverage. Members with an in-force dental plan will be subject to the waiting periods under this policy.

Note: No benefits are available for the replacement of teeth missing prior to the member's effective date of coverage.

Delta Dental Premier with national coverage

With more than three out of four dentist participating in our Delta Dental Premier network nationwide, you'll receive great benefits and coverage.

- Lower out-of-pocket costs: Because network dentists often accept discounted fees for services, you will normally pay less when you visit a participating dentist.
- No claims processing: Participating dentists will prepare and submit claims for you.
- Direct payment: Delta Dental pays the dentist directly, so you don't have to pay the covered amount up front and wait for a reimbursement check.

Delta Dental members can also take advantage of expanded discounts on many covered services, even after they have used up their benefit dollars, visit limits and other situations. Get the details at deltadentalma.com/members/discounts-on-covered-services/

The claims process for Delta Dental Premier dentists

- Simply provide your dentist with the information that is printed on your ID card.
- The dentist will submit your claim to Delta Dental.
- If you have a patient responsibility, Delta Dental will send you an Explanation of Benefits (EOB) detailing what Delta Dental paid the dentist under your plan's coverage and any remaining balance which you pay directly to the dentist.
- If you receive a treatment that is not covered under your plan, you may be billed at the dentist's normal rate rather than Delta Dental's negotiated rate. To avoid any unexpected out-of-pocket expenses, we recommend that you visit Delta Dental's website at deltadentalma.com or call Customer Service at 800-872-0500 to determine your remaining benefits.

About non-participating and out-of-network coverage

Your dental plan provides some coverage for services received from dentists who don't participate in the Delta Dental Premier network with national coverage. However, your out-of-pocket expenses may be more. Out-of-network coverage is only available for those services covered by your Delta Dental Premier with national coverage plan, and is subject to the same limitations and exclusions. Delta Dental's payment for services received from non-participating dentists is based on either the dentist's fee or the maximum plan allowance for non-participating dentists, whichever is lower. If you utilize the services of a non-participating dentist whose fees are higher than the maximum plan allowance, you will be responsible for the difference between what Delta Dental pays and the dentist's total submitted charges.

The claims process for non-participating dentists

- Simply provide your dentist with the information that is printed on your ID card. Your dentist will collect fees directly from you.
- Delta Dental will reimburse you based on a claim form that you submit to: Delta Dental of Massachusetts, P.O. Box 2907, Milwaukee, WI 53201-2907.
- You are responsible for the difference between what Delta Dental pays and what the dentist charges.
- If you receive a treatment that is not covered under your plan, you may be billed at the dentist's normal rate rather than Delta Dental's negotiated rate. If you receive a treatment after you have exhausted your maximum, or if you receive a treatment which will cause you to exceed your maximum, you may be billed at the dentist's normal rate rather than Delta Dental's negotiated rate. To avoid any unexpected out-of-pocket expenses, we recommend that you visit Delta Dental's website at deltadentalma.com or call Customer Service at 800-872-0500 to determine your remaining benefits.

Identification cards

Two identification cards from Delta Dental will be mailed to your home shortly after your enrollment. Both cards are issued in the subscriber's name but can be used by everyone covered under the plan.

Coordination of benefits (COB)

If your family is covered by more than one dental plan (or a medical plan that offers dental coverage), Delta Dental will coordinate benefits with the additional carrier. In determining coverage, total payments from both carriers cannot exceed the allowable charge for the service. If you have a question about Coordination of Benefits (COB), please contact our Customer Service department at 800-872-0500.

Other claims information

- All claims must be submitted within one year.
- Ask your dentist to submit a pre-treatment estimate to Delta Dental for any procedure that exceeds \$300. This will enable us to help you estimate any out-of-pocket expenses you may incur.
- If a claim is denied, you can request an appeal by writing to Delta Dental within 180 days of receiving notice on the claim. Send appeals to Delta Dental, P.O. Box 2907, Milwaukee, WI 53201-2907.
- Under your plan's subrogation clause, you may be required to reimburse Delta Dental for claim payments if you also receive payment from a third party who is held liable for an injury that required the dental care.
