

Benefit Summary

Easy Access and Great Value - Your Delta Dental Networks

As a Delta Dental EPO subscriber, you have access to Delta Dental's EPO network in Massachusetts (MA). Participating providers have agreed to offer discounted fees and a no balance billing policy. Should you require care outside of Massachusetts, you have access to Delta Dental's extensive national PPO network with more than 293,000 participating dentist locations nationwide. If you choose to receive services from a provider who does not participate in the Delta Dental EPO network in MA, or the Delta Dental PPO network out of MA, you will have higher out-of-pocket costs as your benefit is lower, Delta Dental contracted rates and the no balance billing policy do not apply.

Delta Dental members can also take advantage of expanded discounts on many covered services, even after they have used up their benefit dollars, visit limits and other situations. Get the details at <http://www.deltadentalma.com/members/discounts-on-covered-services/>
