

Account Activation

Following your account creation, you will receive a welcome email from noreply@deltadentalma.com, requesting that you activate your account. Click on the Activate account button.

Your Username will be auto filled in the Set-up security screen. Create a unique and secure password using the criteria listed on the screen. Re-enter the password and click on the Submit button.

The image shows a screenshot of the "Set up security" screen. The title is "Set up security" with a subtitle "Create a secure password that does not include all or part of your name or username." The form includes: "Username" (pre-filled with "dentalclientname"), "Password" (with a strength indicator and criteria: 8-32 characters, at least 1 uppercase character, at least 1 lowercase character, at least 1 number, at least 1 special character), "Re-enter password" (with a strength indicator), and two checkboxes: "I agree to receive e-mails, voice calls, and/or SMS messages from Delta Dental or its service providers." and "I agree to the Terms of Use." A green "Submit" button is at the bottom.

Your account is now activated, and a welcome screen will appear displaying your username and your organization's sign on page.
