Under quick links, users can click on Find a Dentist to search for dentist or office.

The search feature allows users to find dentists in your area based on your plan/network and address.

The screenshot shows the 'Find a Network Dentist in Your Area' search form. At the top, there is a search bar with a 'Search' button. Below this, there is a navigation bar with tabs for 'Members', 'Dentists', 'Employers', 'Brokers', 'Dental Plans', and 'Your Oral Health'. The main heading is 'Find a Network Dentist in Your Area'. Below the heading, there is a paragraph explaining the search feature. A note indicates that required fields are marked with an asterisk (\*). The form is divided into two main sections: 'Plan/Network Selection' and 'Your Location'. In the 'Plan/Network Selection' section, there are radio buttons for various Delta Dental plans: Delta Dental EPO (selected), Total Choice PPO, Delta Dental PPO, Delta Dental Premier, Delta Dental PPO Plus Premier, DeltaCare USA, DeltaCare, and Delta Dental Patient Direct. A note below this section states that Delta Dental EPO members looking for a dentist outside of Massachusetts should search the Delta Dental PPO network. In the 'Your Location' section, there are input fields for 'Address', 'City', and 'State' (a dropdown menu), and a 'Zip Code' field. There is also an '- OR -' option between the address and zip code fields.
